

SELECTED DIARY DATES:

- 10 May** World Fair Trade Day
- 5 June** World Environment Day
- 12 June** World Day against Child Labour
- 12 June** Fairtrade Fun
An afternoon of activities for Craven schools interested in Fairtrade, 1pm to 3pm, Ings Primary School, Skipton
- 16 - 22 June** Refugee Week 2014
- 24 June** Craven Schools celebrate their links with Sierra Leone – 1pm to 3pm, Ings Primary School, Skipton. Includes a competition to construct the best eco-stove.
- 7 - 11 July** OXFAM Water Week
Teaching resources are now available, from lesson plans, assemblies and videos to campaigning activities and fundraising ideas. The resources follow a 'Learn, Think, Act' sequence to enable pupils to gain an in-depth understanding of water vulnerability issues around the world, and take informed, responsible and meaningful action. Go to www.oxfam.org.uk/education/school-projects/water-week
- 21 September** International Day of Peace.
It's a day devoted to strengthening the ideals of peace, among all nations and people and calls for an end to war and violence.

For more dates go to www.globaldimension.org.uk/calendar

Our aims:

- To develop understanding of global issues
- To challenge stereotypes
- To develop positive attitudes
- To promote understanding of local- global interdependence
- To encourage action for a more just society and world

Visiting and contacting CravenDEC

All teachers in the Craven area are welcome to visit the Centre, which holds a large store of resources which are available free on loan. If you would like to borrow resources please download a Resource Request Form from the Craven DEC website, and email to Liz Roodhouse.

Craven Development Education Centre
St. Andrew's Church Hall
Newmarket Street, Skipton, BD23 2JE

To make an appointment to look through resources, visit the Centre or discuss your school's needs, please contact Liz Roodhouse, Coordinator.

... us on Facebook!

Did you know, Craven DEC is now on Facebook? The page aims to keep you updated on events, resources and activities connected to Fairtrade, Eco-Schools, school linking initiatives, global education and development work in Craven.

We hope that schools and teachers will become friends, share ideas, inspirations and contacts in the Craven area so that we can learn from one another and work together to promote global education.

Check us out at: www.facebook.com/CravenDEC and please share your experiences and let us know what you've been doing!

Play Fair for the World Cup this summer

Read the blog by Julia Platt, CAFOD's Youth Resources Coordinator, with details of CAFOD's new teaching resources for KS3 for the FIFA World Cup in Brazil.

The resources explore development, fair trade, fair housing, faith and young leadership in the context of football around the world. Each activity has English, RE and PE KS3 curriculum links to help you work out where it fits into schemes of work.

"More than 80% of 7 to 14 year olds want to learn about global issues more than anything else except maths and English."
Ann Finlayson, CEO of Se-Ed, Sustainability and Environmental Education.

The new **Global Learning Programme (GLP)** for England supports schools to start/continue their global learning journey by training teachers, demonstrating how to embed good practice across the whole school and enabling teachers and schools to take control and ownership of their global learning practice.

In Craven two primary schools, Carleton and Settle have been designated as Expert Centres and are beginning to develop local networks of partner schools (primary, secondary and special schools can all be partners), offering them training and support to improve their knowledge and delivery of development education. In addition each partner school receives £500 of e credits that can be spent on approved GLP courses. The Expert Centre in the Harrogate area is Beckwithshaw CP School. In North Yorkshire Thirsk and Richmond schools are also Expert Centres.

Opportunities for teachers to gain a greater understanding of global education and for GLP schools to use their e-credits

Global Teachers Award Level 1

Thursday 19 June & Wednesday 15 October 2014

9.30am to 3.30pm, York St John University

Full day £125 (includes lunch and all other refreshment)

This course provides accredited recognition and is ideally suited to those teachers who are 'Global Advocates' in their own schools or settings. (For example, teachers who are new to a post and are interested in or are coordinators of Eco Schools, Fair Trade, Rights Respecting, Global/International Schools and Global Links.) It benefits both participants and their schools within the field of global learning as can be seen from the comments made by teachers on the course.

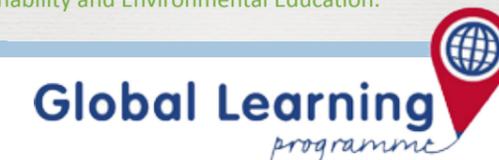

Tutors: Rosina Gilboy and Liz Roodhouse

To book a place on either of these dates contact: Liz Roodhouse, Craven DEC Coordinator T: 01756 790737 M: 07810 200202
Email: liz@cravendec.org.uk

"Thank you for making it really clear as to how I can take forward my new role as Global Leader – I'm full of ideas, freebies and excitement"

"The activities were fab as were the clear ideas of how to involve the rest of the staff and get everyone on board"

"Lots of really useful information – frameworks and critical thinking especially good"

Introduction to Philosophy for Children (P4C)

Wednesday 9 July, 4pm to 6pm, Skipton

Cost: £40 with 50% reduction for second and subsequent teachers from the same school

This twilight introduces '*Philosophy for Children*', a structured approach to learning through enquiry and dialogue. P4C is an approach to teaching and learning that is motivating and challenging for children and teachers. It has developed over 35 years, and is practised in approximately 60 countries. Research has clearly established that it improves behaviour, motivation and learning, as well as achievement for pupils of all ages, abilities and within any subject area.

Tutor: Katie Carr, Cumbria Development Education Centre

An invitation to join Makutano: a multi-media approach to global learning

Schools in the partner countries of Poland, Bulgaria, Estonia and England are involved in this EU funded project, which was introduced in North Yorkshire in September 2013 when teachers from fifteen primary schools from the Craven, Harrogate and Selby areas were introduced to Makutano Junction, a hugely popular award-winning Kenyan educational drama.

Year 5&6 teachers in Carleton, Embsay, Lothersdale, Richard Taylor, Harrogate, Riccall, and Selby primary schools are looking forward to piloting the first twelve sets of resources based on Makutano in June. There are six introductory resources and six with an environment theme. Rights, responsibilities and diversity run throughout all the resources. Next year twelve more sets of resources will be available covering two main themes: health and wellbeing; and money, livelihoods and poverty.

Craven DEC is looking for fifteen more primary schools in North Yorkshire to join the project in Yr2, i.e. from now to the end of March 2015.

Where does it fit into the new curriculum?

Makutano supports the Global Dimension in any curriculum area, providing a range of engaging opportunities for pupils to: explore issues related to SMSC; work co-operatively with one another; develop personal learning and critical and creative thinking skills.

To register your interest, join the project, or find out more, e.g. see some of the resources about to be piloted in schools, please contact Liz Roodhouse M: **07810 200202** E: liz@cravendec.org.uk

Since then a small focus group of six teachers have met in Skipton and worked with Craven DEC and Mediae (the British company that originally developed Makutano in Kenya) to develop resources that will raise pupil and teacher awareness of everyday issues faced by people in Kenya, and across the partner countries.

Use soap opera to explore issues facing young people here and Kenya

"The first set of resources is bursting with lots of good ideas!"

**MAKE IT HAPPEN
CHOOSE FAIRTRADE**

Don't miss Fairtrade Fun!

A **FREE** afternoon of activities on Thursday 12th June, 1pm- 3pm at Ings Primary School, Skipton

Hear from Vanessa Brain, a former SGHS student and until recently employed by the Fairtrade Foundation.

- Hear about her work with Fairtrade cotton
- Get resources, support and inspiration
- Participate in activities, share ideas

Presentation of prizes to Fairtrade competition winners and certificates to reward progress in Eco-schools and Fairtrade School awards by the Mayor of Skipton.

Please book early by emailing Liz Roodhouse specifying how many pupils and staff you would like to bring.

E: liz@cravendec.org.uk

STOP PRESS...

DUBBLE, the first Fairtrade chocolate bar especially for young people, launched in 2000 with the help of Comic Relief, is being discontinued at the end of May.

Since it was launched the chocolate market has been transformed. This year 21% of the UK chocolate market is Fairtrade certified with popular brands **Maltesers**, **Dairy Milk**, **Kit Kat** and **Cadbury Buttons** all being Fairtrade.

Fantastic news for the cocoa farmers and a great achievement for brands like Divine and Dubble who have blazed the trail for Fairtrade in the mainstream market!

Helping Hands at Skipton Parish School

The school received litter picking kits after a successful bid Craven DEC made last year to Craven District Council's Dragons Den initiative. 28 children from Parish School have been involved so far and have learned a lot about how long it takes for discarded waste to break down. For example, they had not realised that chewing gum and glass waste will never break down or change state and that a plastic bottle, which can be recycled if discarded, will take 250 years to break down.

As one child said, "We do not want to see bottles or chewing gum thrown away as they will never biodegrade. We need to tell people not to do that". They have a deepening commitment to sustainable living and the desire to make a difference.

The project is extending – After an invitation from Mrs Mahmood, a governor at Parish school the team will be extending their litter picking into Skipton Wilderness. They aim to go out litter picking every month for the foreseeable future which means that the funding will have a long term impact and the project is sustainable.

Resources to support learning about global issues:

A third of all food produced in the world gets lost or wasted each year.

Who wastes the most? What are the world's most wasted foods? What is the cost of food waste? How is food wasted or lost? Want the answers to these questions and more?

Send for the Action Aid's poster 'Just Eat it! Bin World Hunger not Food'

Sign up for the brilliant and FREE Just Eat it pack for primary schools:

<http://www.actionaid.org.uk/sign-up-for-your-free-primary-just-eat-it-pack>

Download FREE KS3 resources: case studies and images on food and farming in Bangladesh, Kenya, Malawi and Nigeria; PowerPoints on how we can reduce food waste.

Have you noticed that there are lots of opportunities to teach science in a global context within the new science curricular for ages 7 to 14?

Practical Action has documented these and identified opportunities where teaching in a global context enriches pupils' learning, including examples of Practical Action's award winning teaching resources that can be used to support delivering science lessons.

<http://practicalaction.org/globallearningscience>

57 million children in the world are not in school and more than a third of these have a disability.

How do these young people feel? What is life like for them without school? Want to know more?

Send for 'Send ALL my friends to school' resource pack containing posters, teacher guides and a DVD Rom with a selection of short films of real life stories of young people out of school.

www.sendmyfriend.org/take-action/order-teaching-pack

Smartphones are now owned by 1 in 5 people and have changed how many of the world's most important industries work – from journalism to farming.

How sustainable is your smartphone? Do you know how many elements mined in every inhabited continent are part of your smartphone?

Interested? Use the Guardian interactive to take a detailed look at positive and negative impacts the smartphone has made on people and planet. It's too good to miss with some spectacular pictures and some challenging facts.

<http://www.theguardian.com/sustainable-business/ng-interactive/how-ethical-is-your-smartphone>

Skipton Fairtrade Town initiative Competition for school-age children and young people.

Can you, as an individual or in a small group, produce a story book or a board game that brings Fairtrade issues to life?

There will be prizes for each age group and the closing date is Thursday 5 June 2014.

The story book or board game must show evidence of research into Fairtrade issues. Board games may be modelled on traditional board games. The entry form must indicate what age group the finished product is aimed at e.g. '4 – 7 years', '10 and above'.

Entries will be judged, and prizes awarded, in 5 categories by Key Stage and the level of research and the content and appearance of the finished product should be compatible with the age group of the entrant(s).

For an entry form giving details, please contact:
Email: fairtradeskipton@outlook.com or liz@cravendec.org.uk

CND Peace Education Creative writing competition

The competition is open to anyone in Years 3 – 13 and there are three categories; Primary Schools, Secondary Schools and Sixth Forms/Colleges.

Entries should be based on the theme of 'peace' and/or 'nuclear weapons'. Deadline for entries is 1 July 2014.

The winners of each category will receive a £100 cash prize and a £50 book voucher during a prize-giving event in July. The winning schools will also be awarded in recognition of their support for peace.

The full terms and conditions for entering the competition are on the CND website: <http://cnduk.org/component/k2/item/1842/creative-writing-competition>

Congratulations to Carleton Endowed CE Primary School on becoming the latest Fairtrade School in Craven. There are now six primary and two secondary Fairtrade schools in Craven!
